# Competitor Bulletin 1

With the authorization of Motorsport UK under regulation D11.1.3 we hereby notify competitors of changes to the original Supplementary Regulations in relation to the moving of event date following the postponement due to Covid restrictions on Saturday 13<sup>th</sup> February.

We continue to offer our competitors a warm welcome both as an event and also in relation to the outdoor temperature for the new August date! The event will run as planned back in February with no non-Covid related alterations.

Whilst Covid rules are relaxed nationally as of 19<sup>th</sup> July we will continue to carry on with a number of adopted practices that keep contact and group gathering to a minimum given the rising number of Covid cases.

## Spectator & Family Access

One of the advantages of Goodwood as a venue is the free access for spectators which allows the casual rally fan and family of competing crews to attend the venue. With the fewer people travelling abroad for holidays and the summer weather more pleasant we are expecting more spectators than in February.

Motorsport UK have issued advice to organisers about the management of spectators post 19<sup>th</sup> July and similar but slightly differently worded instructions to Motorsport venue operators. It allows spectators to move about freely but recommends where possible that you continue to keep competitor and non-competitor bubbles separate.

As an organizing team we are still working with Goodwood to ascertain how we can best meet the latest advice and whether separating the bubbles is practicable given some spectator parking and catering services are on the inside of the circuit. We can be certain that indoor spaces such as the Jackie Stewart Pavilion will not be accessible to allow a safe space for the organizing team to operate from.

Please bear with us a little longer whilst we bottom out the latest advice and establish a plan that gives everyone some freedom whilst respecting the ongoing Covid situation.

Bulletin 1 – issued Sunday 25/07/21
