

Phil Collings Memorial South Downs Stages

Southsea & Bognor Regis Motor Clubs are delighted to welcome Rally Replay as new headline sponsor for the 2021 edition of the Phil Collings Memorial South Downs Stages at Goodwood Motor Circuit.

Chichester based Rally Replay provide a complete heritage service – the sourcing, restoration and sale of both competition rally cars and rally inspired homologation road cars of all eras. The company also creates highly detailed Rally history reports built from data from their extensive on-site archive.

Rally Replay supply a wide range of Sparco products (Race/Rally/Karting) and Racetech Motorsport seats from their history packed showroom. Miki Biasion, the two-time World Rally Champion, has partnered with Rally Replay and the pair are planning to launch 15 commemorative special edition Lancia Delta Integrale with Rally Replay during 2021. General Manager, Adam Midghall, said “we’re very excited to be sponsoring one of our great local events and to be helping to further promote the event in 2021. We love to meet local Rally competitors and invite you down for a browse, coffee and a socially distanced natter at our new showroom in Chichester”.

Event co-ordinator, Mark Collings, said “we are very pleased to welcome Rally Replay on board with the South Downs Stages and look forward to also working with them to deliver new media coverage that can bring rallying to a wider audience. The heart of the event has always been to make motorsport as accessible as possible to enthusiasts both old and new alike. We look forward to working with Rally Replay to help take that to a new level.”
